

HERE'S the POINT

By SPENCE HELD

"It was a miscarriage of justice!"

That statement was made to me Monday night by Superior Judge John A. Hewicker, referring to the "life imprisonment" penalty imposed by a jury on Robert Rodriguez, 27, the killer of Coronado Police Lt. Frank S. Greene.

Greene, 43, a former football star, was a friend of mine, and naturally I was interested in the case. He had many friends in the Peninsula area. His widow, Alice Craig Greene, attended the birthday party Saturday for Henry Gunther, veteran swimming coach, at the San Diego Yacht Club. (See photo.)

"Life imprisonment," you know, means that a killer can get out in seven years and do it again if he's in the mood. Rodriguez has a grudge against society, nurtured since he was a bad boy in Logan Heights.

When he was eight years old he was sent to Pacific Colony, an institution for the feeble-minded.

"Was he feeble-minded?" I asked Judge Hewicker.

"No—just mean," he replied. "He escaped five times, and finally was arrested for burglary."

At 15, Rodriguez was sent to Whittier state reform school under the alias of Robert Garcia, for burglary. Turned loose, he did it again and went to San Quentin state prison at 16 on conviction of burglary. He was paroled after three years.

Then, when he was 19 or 20, he burglarized a jewelry store. After serving five more years he went free in 1952.

Early last year Rodriguez worked as a fisherman aboard a tuna clipper. When he shot and killed Frank Greene Oct. 12, he was employed as a dishwasher at Hotel del Coronado.

A juror in the murder case case rushed into print Monday to say the jury had been 11 to 1 for sending Rodriguez to the gas chamber but one juror forced the "life imprisonment" penalty.

This juror "was just covering up for himself and others," I was informed by a person in a position to know.

Only one juror held out for the death penalty, my informant stated. The 11 others wanted to give Rodriguez "life imprisonment."

On Monday, another juror was quoted as saying that he was "appalled" when he learned that the killer could be freed on parole in seven years. He claimed the jury never understood Rodriguez would not necessarily have to stay in prison the rest of his life.

So I asked Judge Hewicker about that. He said: "I instructed the jury that a man found guilty of first degree murder and sentenced to life imprisonment could serve a minimum of seven years before he was subject to parole."

The judge was disappointed, to put it mildly, over the jury's decision rejecting the death penalty.

Rodriguez will be "roaming free to kill again in 10 years according to the attitude of our state parole board," he declared.

To me, the lowbrowed 210-pound Rodriguez, a former boxer, and his victim, Lt. Greene, a former football player, symbolize the difference, between prize-fighting and football.

Like all good fighters, Rodriguez has the killer instinct. He's vicious, knows nothing of sportsmanship or team spirit.

In boxing, the object is to disable your opponent. In football, the object is to advance the ball. When a man is injured in football it's usually an accident. In boxing? You can answer that one yourself.

Lt. Greene played hard and clean in high school, college and pro football. And afterward, for 18 years, he helped protect the community against hoodlums like Rodriguez.

M. B. Plunge Opens. Mission Beach Plunge will reopen Feb. 2, it was announced this week by Bill Lucas.

LOCAL BOWLERS TOPPLE PINS IN COMPETITION LAST WEEK

Korner Malt Shop keggers gave evidence last week of why they are pacing the Monday Mix-ups by two games at Ocean Beach Bowl.

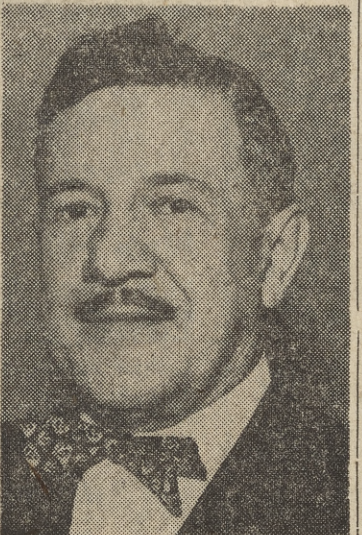

As a team, the Malt Shoppers rolled 848 and 2367. Earl Pfau made a 564 series to continue his fine scoring. In the same circuit, Chick DeRome rolled an even 200 for Peck Plumbing. Marion Ingram, currently averaging 149, shot 231 and 538 for new seasonal highs which helped the Korner Malt cause.

The Home Appliance quintet really popped the pins Tuesday night to chalk up 906 and 2664. Sid Smith had 233 and 601. Teammate Bill Peat topped him by one pin in the series division with 602. Home Appliance was scheduled to tangle with league-leading Elm's Clothiers this week.

Wednesday Mixed League results saw Willie Williams roll 214 and Dan Willis make 540 for high individual honors. Frances Hunt of the league-leading Angler's Bait and Tackle team rolled 154 while Virginia Fulton hit 398 for top honors among the women. Villano's and Blue Pacific are battling for second place.

The Thursday Mixed Trio league is staging the tightest race with only four games separating the four leading teams. ABC Bowling Supplies is on top with Mad Caps, Tro Fiends and Beach Combers close behind.

Tro Fiends led last week with 496 and 1389. William "Tiny" Wright was high with 183 while Pat Garrett and Art Calman had 480 series totals. Vivian Pearce and Betty Stratton tallied 160 single game scores while Betty made a 455 series.

Kraft Drug monopolizes the Friday 750 Scratch circuit lead with a 141-game margin but four teams are battling for second place. They are Practical Cleaners, Hudson Concrete and Teams 5 and 2.

Pete Davis, very hot of late, rolled 214 and 577 to pace Kraft's to an 852 game and a new seasonal series high of 2536.

The Clovers head the Junior league with a 11-game lead over the Alley Busters, Speed Balls and Beach Typewriter. Last week the Clovers, led by Roland Bleasdale's 157 and 407, hit 472 and 1347. Steve Cullen remains as the season leader, however, with 191 and 457.

Kearny's winning effort was sparked by Jim Henry, who scored 33 points. Bill Harvey and Frank Rogers each tossed in 10 points for the Lomans.

Point Loma made a better showing last Friday night against Lincoln, losing by a count of 43-38. Rogers was the game's high point man with 20.

CLUBHOUSE & DOCK PLANNED BY SILVER GATE YACHT CLUB

Additional plans for a clubhouse and dock on Shelter Island were discussed at the January meeting of Silver Gate Yacht Club held Friday evening in Marlin Inn with Commodore Bill Hall in charge.

After Hall said the clubhouse and dock cost was estimated to be \$40,000, members approved a motion that the club would be empowered to pay 6 percent interest on money provided by members. Hall also notified the members that the City of San Diego would accept only a "one-pack package" (clubhouse and dock), not the clubhouse alone.

Approximately 75 persons, including yachtsmen in Alaska, Florida and Texas, plan to continue as members this year, the commodore said. He reported that the Silver Fizz Breakfast

would be held at 10 a.m. Sunday, Feb. 6.

Members approved Joseph E. Hipp, industrial engineer and president of the local chapter of American Institute of Industrial Engineers, as a new member.

They also approved a motion that the winner of the annual Shipwreck Dance honors would be required to serve as chairman of this event for the following year. As a result Jack Carter, 1954 winner, though not present, was named 1955 chairman. This dance will be held in March.

An invitation from San Diego Yacht Club, offering Silver Gate Yacht club members the use of the former organization's clubhouse for 1955, was among letters read before the meeting ended at 9:50 p.m.

Camp Fire Girls Redouble Efforts In Peanut Sale

Camp Fire Girls and Blue Birds will wind up their annual peanut sale next week, and from now until Feb. 5 when the sale ends they will be redoubling their efforts to reach their goal of 75,000 cans sold.

The young peanut vendors set a fast pace with their sales the first ten days of the venture, according to Mrs. Waldo Lyon, of Point Loma who is chairman of the Peanut Sale Committee for the San Diego district.

Reaching the goal means that there will be sufficient funds to take care of much-needed improvements at Camp Wolahi, Camp Fire Girls summer camp in Cuyamaca Mountains, as well as provide for repairs and equipment at the day camp in Balboa Park, Mrs. Lyon said.

To supplement their door to door selling, Camp Fire Girls have set up sales booths in downtown areas. Many of the girls' fathers are lending a hand in the sale, helping to erect and decorate the sales booths, furnishing transportation for the youngsters, and arranging for daughters to appear before their service clubs to tell about the peanut sale and what the proceeds are to be used for.

The Camp Fire Girls youth program serves nearly 3000 youngsters from the age of seven through 18 in San Diego County.

Next Tuesday, Feb. 1, will be "Appreciation Night" at Kiwanis. Invitations are being sent to some 32 persons who contributed time, money and material toward completion of the Kiwanis Youth Activities Bldg. Harvey Atherton will speak.

MOTHERS' MARCH ON POLIO SCHEDULED MONDAY NIGHT

Eight thousand San Diego County mothers will march on polio next Monday between 7 and 9 p.m. The Mothers' March on polio traditionally is the terminating event of the annual March of Dimes drive, according to Mrs. Arlo Martin, Mothers' March chairman.

In the two-hour period between 7 and 9, mothers all over the county will call on every house where a porch light is shining, to collect a donation to the March of Dimes, Mrs. Martin said.

"Mothers are particularly sensitive to the threat of polio, and are determined to stamp it out," Mrs. Martin said, "so that there need no longer be any fear of their children being suddenly stricken, killed or crippled for life by this unseen menace."

"The National Foundation for Infantile Paralysis has made great strides in developing a vaccine which we hope will work. The results of this vaccine will not be known until April of this year. If it is successful, we will need money more than ever before," Mrs. Martin added, "to provide the vaccine in adequate quantities to assure the immunization of every child in the United States."

"If it is not successful, we shall need money to continue essential research, and in both cases we shall need money to tails.

Local Chamber Honors Richardson, Restine

Joe Richardson and Jim Restine were honored by the Ocean Beach Chamber of Commerce for service to the community at the Chamber's annual installation dinner dance Saturday night in the Kona Kai Club.

Harry La Dou, beginning his second year as president, and other officers and directors were installed by County Supervisor Frank Gibson. Present were about 125 members, wives and guests.

Richardson was given the "Citizen of the Year" award for "outstanding service to the community" during 1954. As a Chamber director, he was chairman of the Daz-O-Fun celebration and headed the fund drive for California Western University. Also, he worked with the Boy Scouts and helped raise funds for Christmas decorations, Mr. Dou said.

The Chamber president recognized the civic spirit and hard work of Restine, a member of Ocean Beach Kiwanis Club, in developing the Kiwanis Youth Activities Bldg., at Santa Monica Ave. and Ebers St.

Restine supervised the painting, plastering, plumbing, flooring and heating jobs in the building. In honoring Restine, La Dou also paid tribute to the Kiwanis Club for sponsoring the project.

Chamber officers installed by Supervisor Gibson, besides La Dou, were Dave Noel, vice president; Kenneth Brown, treasurer, and John A. Pierce, secretary.

Councilman Clair Burgener was present, along with James Reading, city traffic engineer. Reading spoke at length on traffic problems, declaring that "I foresee parallel parking on Newport Ave. There would be fewer accidents, although the change-over from angle parking would reduce the number of spaces 30 percent."

"The crystal ball also indicates parking meters on Newport and Voltaire. You'll get them if you agree on them and ask for them."

Soap Box Derby To Be Held Here

Mrs. Bettie Knauer, president of the Republican Women's Club of Ocean Beach, has been advised that "the papers have been signed for full speed ahead on a track for the Soap Box Derby, to be placed in Collier Park in time for this year's races."

Collier Park is between W. Pt. Loma Blvd. and Voltaire St. Date for the 1955 Soap Box Derby has not been set, but it is expected to be held along about July.

A spokesman for the City Chevrolet Co. said that "We have a lease on the Collier Park property," where the track will be constructed.

care for the tremendous backlog of patients already victims of this dread disease," Mrs. Martin said. "Therefore I urge every citizen of San Diego County to cooperate with these 8000 mothers, turn on their porch lights, and make a generous donation toward the elimination of polio."

The ninth district Parent Teachers Association, under the presidency of Mrs. J. Allen Hodges, is cooperating fully on the Mothers' March, Mrs. Martin said, and has been of tremendous assistance in helping work out the program and de-

The seventh anniversary of the Blue Pacific Pet Shop on Newport Avenue was on November 15th and the store was in the throes of a face lifting that is now near completion. Through it all the store has been open for business with the owners, Mr. and Mrs. Henry LaJoie have continued between customers and enlargement plans. This enlargement brought the store to the street front with light-catching large windows. With such a nice large store the La Joies now have added additional lines of merchandise stressing everything for "that" pet and they include shipping cases, jeweled collars (beautiful enough for human wear), custom made dog coats especially for large chested dogs; those distinctive Arnold Bird Homes with our own California wood, Manzanita for bird comfort. Assisting in the operation of the store is Mrs. Margaret Robins, daughter of the La Joies, Nellie Shaw and Karl Kifer.

Mr. and Mrs. Charles Dunlap recently moved from 4651 Orchard Avenue to their own home at 4538 Saratoga Avenue. Mr. Dunlap is a Ryan employee.

A real love story will be culminated today (Thursday) at the Point Loma Methodist Church when Mrs. Hazel Fletcher and Clayton Fletcher of Belleville, Ill. are married. Mrs. Fletcher came here over three months ago to make a home for her son Rex at 4738 Muir Avenue. Rex is a navy chief stationed here. When her birthday came, and she was among strangers, her landlady and neighbor, Mrs. Amundson surprised her with a birthday cake and little get-together. This was the early part of this month and the next day Mr. Fletcher arrived here from Illinois. Mr. Fletcher is the brother of her deceased husband, and his wife too has passed on. Lonesome in Illinois without her he came to Ocean Beach and wedding plans progressed rapidly. Mr. and Mrs. L. S. Amundson of 4742 Muir Avenue will be the couple's only attendants.

WHAT'S DOING

D. W. Lewis, your Telephone District Manager in San Diego

Left-over wire gets new lease on life

In the telephone business, we call the wire that leads from your telephone at home to the pole outside a "drop" wire. Maybe you've seen some of our men putting up drop wires around town. If you have, you probably noticed that a few short pieces were left over on some of the jobs. Now, these odds and ends of wire weren't of much use until recently. It was too costly to splice them together. But now an economical way has been found to join drop-wire scraps into long, continuous pieces which can be put to work. Naturally, this is a big cost-cutter... one that helps us as we work to keep down the prices you pay for service. Pacific Telephone works to make your telephone a bigger value every day.

Home's never very far away by telephone

Just because Dad's out of town on business, he needn't be out of personal touch with the rest of the family. In just moments, you can all be together again—visiting, laughing, trading the latest news. For even when you're far away, home's as near as the closest telephone. And a visit by long distance is almost like being there in person. It costs so little, too. You can make a three-minute "station" call clear across the country, after 6 p.m. weekdays and all day Sunday, for only \$2.00 (plus tax). And of course, rates for shorter distances are even less. So let long distance keep you in close touch with your family and friends. It's a pleasure you can hardly afford to miss.

A RANDOM LOOK...

We have a telephone which requires no hand. You can talk and hear without holding it. It's called the Distant Talking Set and is excellent for the busy Businessman. Available right away! Next big change in San Diego will be the change to Customer Distance Dialing. You will be able to dial your own calls nearly everywhere in the country by the middle of next year.

SHOW LURES SOCIAL SET
When the roll call of commit-

Charity Ball Fashion Show is
made, the number of Point Loma

These hard-working, civic and
social-minded women have liter-

Mrs. Jean DuPaul, reception
committee chairman, will be as-

Albracht, Ronald Abernathy and
Gene Trepte.
And, last but not least in im-

typists who handle public re-
lations, Mmes. J. B. Dalton, Nor-
ris Howe and M. J. Breitenbach.

HAVE YOU A YEN?

Not an Oriental coin, but a burning desire for a larger or better home? A fireplace or a rumpus room? A view and picture windows, or a smaller home near stores and transportation, now that the children are married?

If so, you are a normal, progressive person with down-to-earth common sense.

Now is the time to put your old property on the market and look ahead to a better way of life.

Our organization has sold over six million dollars worth of property in 1954 and constantly needs more listings to satisfy our tremendous backlog of clients.

MS Meeting Set For February 1

Plans for the second annual open meeting of the San Diego Chapter of the National Multiple Sclerosis Society to be held Tuesday, February 1, 7:30 p.m. at Mercy Hospital Auditorium was announced today by W. J. Dawsey, chairman of the local board.

The primary purpose of this meeting is to report the activities and progress of the local chapter during the past year and to discuss plans and recommendations for the future. The public is urged to attend as MS is

fast becoming one of the more serious community health problems.

Nominations for board members to serve during the year 1955 will be accepted. Dr. Ward W. Woods, chairman of the Medical Advisory Board of the chapter will speak on "Multiple Sclerosis—What is it and what are we doing about it?" Included in the agenda is a ten minute color film on the problems of MS narrated by Danny Thompson.

MS, baffling disease of unknown origin, has afflicted an estimated 250,000 Americans according to the National Multiple Sclerosis Society and an estimated 2000 in the San Diego area. It primarily attacks its victims in the most productive years of their lives, the 20 to 40 age group, through their central nervous system, creating faulty vision, lack of coordination and paralysis. Constant research is under way to discover its cause and cure. The local society conducts an all-year campaign through research, rehabilitation, and education.

It is urged by the local society that anyone having MS or knowing of anyone who does, to call the society, BE-4-8388, according to Mary Baganas, executive secretary.

O. B. Woman's Club Helps Tired Marines

Even pouring rain did not deter 33 members of the Ocean Beach Woman's Club when on one of their annual excursions to Hollywood (a fund raising campaign), they met enroute the Marines on their March of Dimes tramp. The bus was stopped and the members fed the "kitty". Then the window were rolled down and the ladies sang the Marine hymn which pleased the wet, tired boys.

This was the 3rd donation to the Campaign the Club had made as the previous Monday at the Clubhouse, a coffee klotch was held. Throughout their usual charity donations a sum was also made.

When the ladies arrived in Hollywood, Mrs. Fred Thompson, president was selected to appear on Wes Battersea's "Family Fun Time" on KNX TV telling of the Marine incident, outside of Capistrano. From there the group enjoyed several other TV programs and a visit to Forest Lawn.

Scouts March For Polio Dime Fund

On Sunday, January 30 at 9 a.m. Boy Scouts from Ocean Beach will start at Poway Junction on highway 395 to walk to Channel 8 building along Route 395 through Linda Vista, Old Town, along Kettner Blvd. to Ash street and on to Channel 8, reaching there about 12:30.

Pat Thienes, who has walked across the United States and many miles around San Diego County, has offered to give the scouts and cubs lessons in hiking long distances, and also to help others walk and enjoy the outdoors.

The March of Dimes is the incentive for the Scouts of Troop 28 and Cub Pack 228 of Ocean Beach together with Paul J. Holbrook and Jerry Fickes, scoutmasters, to plan this march.

Radio, TV and newspapers are giving their time to help promote this venture. While the Boy

Scouts cannot solicit funds, each is contributing to the March of Dimes so he may be able to participate in the hike.

Pat will be walking with his dog, who will carry a pail around his neck, to accept any contribution. Anyone wishing to contribute may send donations to the March of Dimes office 3930 4th Ave.

Mr. Holbrook and Mr. Thienes work side by side at the Naval Air Station.
